sam box | Drawer Box System

Sambox drawer system meets comfort and quality expectations with its excellent motion capability, quick and safe installation and durability at maximum level.

- ▶ Esthetic steel appearance
- ▶ Silent running wheel system
- ▶ Safety system to avoid derailing
- ▶ Finish: White, cream and metallic grey

SAM BOX upgraded adjustment mechanism, with high tolerance level, was designed in consideration of both, user's and producer's convenience. It offers easy and accurate installation during specially designed furniture production. A locking mechanism in a drawer is required to improve safety of drawer systems. With the help of this locking mechanism in SAM BOX, high level of safety is provided.
