

Smart Slide Full Fit Full Extension Undermount Slides

Innovative design meets high expectations. Either you build a kitchen or bathroom, or a dovetail drawer for your wardrobe; Smart Slide offers you a wide range of possibilities.

Smart Slide was developed by SAMET R&D engineers with feather light movement and smooth soft closing system especially for fast, safe and easy installation. Inspire your designs with more value-added solutions!

Synchronisation for smart motion

SAMET continues to develop comfortable solutions for silence and smoothness on the slide systems. Thanks to our new and innovative synchronisation technology, Smart Slide Full Extension Slides will function more silently and smoothly.

Long-lasting performance

Compatible with wide drawer size alternatives within a range of 9" to 21" lengths provide various options during furniture and cabinet production.

Smart Slide Full Fit brings innovative and high-end solutions together with its superior performance.
